Register Mobile (InkScape)

A mobile registration form design created in InkScape. The design is centered on a dark gray background and features a light gray header bar at the top. The header bar contains the "crypto challenge" logo, which consists of a stylized orange "c" followed by the text "crypto challenge" in a sans-serif font. Below the header, the form is composed of several input fields and a button, all arranged vertically and centered. The input fields are light gray rectangles with rounded corners, containing the placeholder text "First Name", "Last Name", "Username", and "Password". The "First Name" and "Last Name" fields are positioned side-by-side. Below the "Username" field is a yellow button with rounded corners and the text "Give Me MY \$\$" in a bold, sans-serif font. The entire design is overlaid with a grid of blue lines, and a ruler is visible at the top of the canvas.
